A close-up photograph of the fore-edge of an old book. The top half of the image shows the light brown, aged paper of the book's cover, which has some faint, illegible markings. The bottom half shows a dark blue, heavily textured cloth binding. The two materials are joined at a visible seam, with some of the paper cover material appearing slightly frayed or torn at the edge.

A notice was posted at the ring looking the brokers (that all transactions in National Bank Shares to end of month must be considered as made in cash) and that the National Bank Shares of the new emission, and all transactions for later dates as in the shares. This will prevent all the questions of the National Bank Shares, and no ruling has been made as to the present value.

In a few days the engineers appointed to draw up the plans for the two bridges are far South along for Patagonias. A large number of the engineers will cross the Rio Negro at Choele-Choe, and other across the Colorado on the river that joins the National Territories with the Argentine Republic. It is estimated that nearly a round has 1 million of dollars. The engineers who form the party are Messrs. Tattiro, Bais and Benoit.

The Committee of the Rural Society, at a meeting held yesterday, granted 30 acres of space to manufacturers desirous of exhibiting their goods at the coming exhibition. English manufacturers are invited to send samples as well as recommendations to the committee on both sides of the Atlantic.

The discounts of the Montevideo N. Bank during year 1889 were sometimes as high as 40 per cent. The bank was to pay for 44 years, and the service of Cerezo was to be 1,808,644, of which 1,338 remained due as a bad debt. The S. S. Matapau, which has arrived from Valparaiso, will bring 2 million francs for the "Cacheco," however put in quarantine. The La Plata advice announced that three days not a single transaction has been effected on the Bolsa the last week. The "Winkish state" is very unprosperous. There is no quotation for the historic Territorials.

The La Plata Executive promulgated a law of concession of title to the studies y Puellos. The law of 1889 will be started almost immediately and 12 new towns laid out.

The law of 1889 of the new boards of the Provincial Bank of the Province of Montevideo, the usual distribution of the bank was made:

President—Francisco Bank
Vice ditto—Rafael Pavón (1) and La Plata (2).
